

## BJHS Band Instrument Rental Agreement

This is an agreement between Bob Jones High School Band and the student who rents an instrument owned by the Bob Jones High School Band.

The student will take proper care of the instrument during the semester in which the student is using the instrument. This includes oiling valves, slide grease, greasing cork, polish, cleaning, etc. The instrument rental fee covers the cost of general yearly maintenance and repairs. The student is responsible for any damage that occurs during the semester. The director must be notified as soon as a repair is needed or damage has occurred.

The condition of the instrument will be noted at time the instrument is issued. The instrument will be inspected for damage when it is turned in and the student will be billed for the cost of repairs.

The cost of renting an instrument is \$75.00 for each semester and \$25.00 for the summer.
