

BJHS Uniform Committee:

Game Day: 2 members on a rotation schedule

*Arrive to band room when the students do. Be ready to help students with last minute uniform problems: snaps/hems, hat adjustments, missing articles, etc.

*Make sure cart with plumes and gauntlets gets loaded onto truck last in order to have it come off first. Grab uniform emergency backpack, ride bus, and help chaperone.

*At field, make sure cart gets off and help dress students with plumes and gauntlets. Then help other chaperones with moving buckets, handing out water, rolling seat covers, taking students to the bathroom, etc.

* After halftime, when the students come off of the field, direct them to where they should put their gauntlets and deplume their hats before they go back into the stands. Reorganize the plumes into their tubes/cases and make sure gauntlets are paired correctly and reorganized into their appropriate size bins. *Percussion gauntlets are put into separate bin. Volunteers will most likely miss most of 3rd quarter doing this. Make sure cart get loaded back onto truck.

*Chaperone bus back to school. Put cart and backpack away and collect/check back in any uniform articles “lent” out for the game.

*Usually last to leave, gathering up any stray uniforms/item from band room to leave with directors.

Competitions/Parades: 2-3 also on a rotation schedule

Same duties as games minus the stadium chaperone duties.
